**WEST LONG BRANCH, NJ MAY 7, 2008** – Wentworth Property Management Corp was named one of the “50 Best Places to Work in New Jersey” by *NJBIZ* magazine. Representatives from Wentworth were recognized and honored at the “Best Places to Work in New Jersey” evening awards ceremony recently held at the Hilton Hotel in East Brunswick.

The *NJBIZ* survey and award program was designed to identify, recognize, and honor the best places of employment in New Jersey, benefiting the state's economy, its workforce and businesses. The Best Places to Work in New Jersey program is made up of 50 companies split into two groups: 25 medium-sized companies (25-249 employees) and 25 large-sized companies (more than 250 employees). Wentworth was ranked 20<sup>th</sup> in the large-sized companies category.

"We are thrilled to be honored as one of the 50 Best Places to Work in New Jersey," said Michael Mendillo, President and CEO, Wentworth Property Management Corp. "This award means a great deal to all of us, because it directly reflects on how our Associates feel about working at Wentworth. As the country's largest residential property manager, our company's ongoing success is completely dependent upon attracting and keeping the most passionate and dedicated group of professionals in the industry. This honor is both a validation and reminder of Wentworth's core value commitment to the satisfaction of our truly outstanding group of Associates."

Companies from across the state entered the two-part process to determine the 50 Best Places to Work in New Jersey. The first part consisted of evaluating each nominated company's workplace policies, practices, philosophy, systems and demographics. This part of the process was worth approximately 25% of the total evaluation. The second part consisted of an employee survey to measure the employee experience. This part of the process was worth approximately 75% of the total evaluation. The combined scores determined the top companies and the final ranking. Best Companies Group managed the overall registration and survey process in New Jersey with assistance from ModernThink LLC, who analyzed the data and used their expertise to determine the final rankings.
